Time to celebrate

It's the end of the year and it's time to take a break. Yes, you deserve it. Volunteering and working in the community is often hard work that goes unnoticed, but that's not why you do it. Being part of the community helps us to become more confident and feel good about ourselves. So just as Christmas deserves to be celebrated, so do you, for all your efforts over the year.

Seasons greetings from our team

Celebrating Good Times

We are proud to have helped over 8000 organisations access our learning library from across Australia. In addition to the guidance our team has given through our videos and course, we've held some great expert Q&A sessions. Our team of subject matter experts have personal organisations with the following:

- Win grants and tenders
- Set up their organisation's structure
- Amend their constitution
- Have a positive outcome, navigating a potentially significant member conflict
- Increase their membership and volunteers by thinking differently about how they market these opportunities

We love hearing about positive outcomes we've helped you achieve, so please keep sharing this with us :)
