Grant Spotlight

Step-by-step guide to help you apply for the NSW Sports Health Fund grant.

“We’re going to produce regular step-by-step grant program videos instead of our webinars’ said founder, Natalie. ‘This way we can be more responsive, and get this information out within days of the grant program being announced. We’ll also start sending out grant alerts to members as soon as we launch them live, so they get early access to the videos’

These videos will walk you through grant guidelines and application forms, giving you vital information and expert tips along the way. You can follow along as you complete your application. Next up will be the QLD Community Benefit Fund grants which are released on the 23rd February.

This video is available publicly on the front of our website, so feel free to share with your community.

If you’d like to suggest a grant program for a video walk-through, send an email directly to natalie@iclick2learn.com.au
